RYE NECK SCHOOL DISTRICT

Located in Southern Westchester County, twenty miles north-east of New York City, the Rye Neck School District is one of the oldest public school districts in New York State. It serves approximately 1,539 students from both the City of Rye and the Village of Mamaroneck. Rye Neck's strong parent and resident support provides a close-knit, socioeconomically and culturally diverse community in which our students thrive.

RYE NECK HIGH SCHOOL

Rye Neck High School is a comprehensive college preparatory high school with a total student population of 516 in grades 9-12. It is accredited by the New York State Board of Regents and has 55 full-time faculty, 98% of whom have advanced degrees. An all-Regents (college preparatory) high school since September 1994, Rye Neck is a New York State Model Regents High School. In 1996 The United States Department of Education designated Rye Neck High School *National School of Excellence*.

Rye Neck's challenging curriculum engages students with a wide array of artistic, athletic, and extracurricular opportunities on a fifty-seven (57) acre campus. The campus includes our main facility which houses classrooms, the School Counseling Suite, the Performing Arts Center, our main library, a collaborative science wing, media and technology laboratories, and our art and music studios. The Athletic Center includes a dedicated high school gymnasium, classroom, state-of-the-art Fitness Center, tennis and basketball courts, track and athletic fields.

ACADEMIC PROGRAM

Rye Neck's year-long core academic courses are taught at the New York State Regents level or above. Honors courses are offered in English 9 and 10 and Social Studies 9. Students are encouraged to take courses a year ahead of grade level or Advanced Placement (AP) courses. Report cards are provided on a quarterly basis. Rye Neck does **NOT** rank its students, but does include a junior year-end grade distribution for seniors.

POST-SECONDARY EDUCATION—CLASS OF 2022

- 82% attend four-year colleges
- 10% attend two year colleges
- 8% other plans

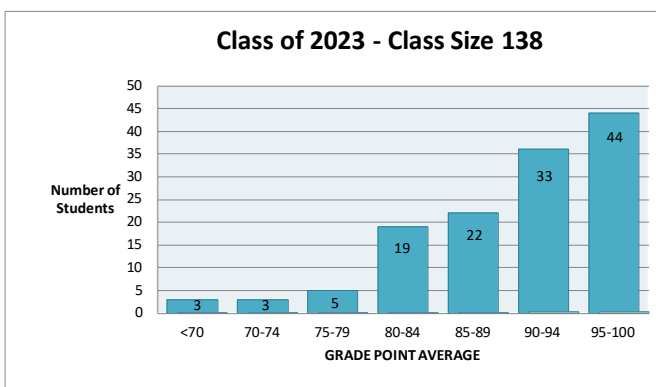

GRADING POLICIES

Grades are calculated on a one hundred (100) point scale. To calculate quarterly averages, Honors, AP, and dual enrollment college courses are weighted by five (5) points. Both weighted and unweighted GPA's are reported on the transcript. Minimum passing grade is a 65. Seniors with a cumulative GPA of 90 or higher are eligible for the National Honor Society based on scholarship, character, leadership and citizenship.

COLLEGE CREDIT COURSES

Eleven (11) courses are dual enrollment course that offer students the chance to earn college credit provided students meet specific college/university criteria. The participating colleges and courses include:

- ◆ SUNY Albany—Science Research
- ◆ SUNY New Paltz—Social Inequality in the U.S.
- ◆ Manhattanville College—Advanced Acting-Foundations of Scene Study
- ◆ SUNY Westchester—French IV, Italian IV, Spanish IV
- ◆ SUNY Westchester—Algebra 2: Functions and Models
- ◆ SUNY Westchester—Pre-Calculus
- ◆ SUNY Westchester—PreCalc/Intro to Calc BC
- ◆ SUNY Westchester—AP Calculus AB

- ◆ SUNY *Total based on six semester averages (134 students)

ACADEMIC ENRICHMENT

ADVANCED PLACEMENT

Admission to AP courses is open to all. Students in AP courses are required to take the AP examination. In 2022, 498 AP exams were administered to 216 students. Eighty-two percent (82%) of students earned grades of three or higher.

Twenty-four (24) AP courses are available: Calculus AB and BC, Statistics, English Language, English Literature, Macroeconomics, U.S. History, European History, World History, Comparative Government & Politics, Spanish Language, French Language, Italian Language, Psychology, Studio Art, Computer Science A, Computer Science Principles, Biology, Chemistry, Physics C: Mechanics, Physics C: Electricity & Magnetism, Environmental Science, Seminar and Research.

2022 AVERAGE NUMBER OF AP COURSES BY GRADE

SENIORS	70% took an average of 3 AP classes
JUNIORS	63% took an average of 2 AP classes
SOPHOMORES	46% took 1 AP class
FRESHMAN	No AP classes

EXTRA AND CO-CURRICULAR ACTIVITIES

Rye Neck offers a wide of extra and co-curricular activities, including thirty-five (35) varsity and junior varsity athletic teams, an active Student Government Association, award winning Mock Trial Team, an all-school award winning musical, Key Club, Yearbook, School Newspaper, Literary Magazine, Science Olympiad, SADD, math, environmental, art and video clubs, band, chorus, string's orchestra and glee club. More than **90%** of the student body participates in one or more activities.

COMMUNITY SERVICE

Community Service is an opportunity for students to contribute in a meaningful way to the needs of the community-at-large. As a graduation requirement, students are required to complete forty (40 hours) of community service. Going well beyond this requirement, the class of 2022 completed 12,923 hours of service.

SIGNATURE PROGRAMS

SCIENCE RESEARCH

This is a course for students who wish to develop and conduct an original scientific research project. The course requires at least a **three-year commitment** in the development and execution of a project. The goal is for students to identify an area of interest, and work toward the completion of a research project by the beginning of junior or senior year. Students are required to enter local, state and national science competitions

SENIOR INTERN PROGRAM

The Senior Internship Program (SIP) is a non-paid internship that provides all eligible senior students with a link between school and the workplace. Students are responsible for researching and documenting information regarding their internship and contacting mentors. The internships culminate in a presentation highlighting their experience.

INDEPENDENT LEARNER PROGRAM

The Independent Learner Program (ILP) offers students an opportunity to develop their strengths and talents in an interest-based project. Self-directed ILP projects emphasize the application of knowledge and skills in real world situations. Projects include software development and programming, entrepreneurship, creative writing, social science research, and preparation for national academic and arts competitions.

ELECTIVE COURSES

Rye Neck High School offers a wide array of electives, independent study options, college courses and real world opportunities tailored to individual strengths and interests. Science, Technology, Engineering and Mathematics (STEAM) programs include 3-D CAD, animation and media technologies. Electives such as *Action Research for Community Change*, a college-level seminar in social science research and choices in the humanities and the arts, film, creative writing and journalism encourage creative productivity. Additionally, we offer English as a New Language (ENL), Special Education services and talent development programs.

THE CLASS OF 2022 AND COVID-19

In March 2020 Rye Neck High School shifted to full-remote status in response to the pandemic. All students were marked on a P/F grading system for the remainder of the third quarter. Beginning the fourth quarter, a modified grading system was used for the balance of the year, and consequently final numerical grades appear on transcripts. In September 2020 the high school shifted to a hybrid model with optional full-remote learning. In Spring 2021 in-person learning resumed with optional full-remote learning. Traditional grades were awarded for the year. Beginning in September 2021 in-person learning fully resumed.
